

SBSL Educational Assessment / Questionnaire

+ Families & Individuals

1. Which of the below best describe your day to day personality, mindset, & perspective on events?

- Analytical; highly logical; more introverted than extroverted; think deeply > make quick decision(s)
- Very outgoing-love to be around people; forget things easier than most; spontaneous; short attention span
- Direct & to the point mindset; like to be in charge of situations; decision making comes naturally.
- Mediator; introverted = very shy around others; prone to putting things off for 'tomorrow'.

2. What are your thoughts on mentoring?

- It's invaluable - I've been mentored at some point(s) in my past.
- Mentoring works, however, I've never been able to find a mentor
- No idea what it is, nor what it means to me.
- I have been a mentor in some setting previously (non profit, business/entrepreneurial, et al.)

3. Are you aware that there are six (6) lawful ways to educate a child in the state of Ohio?

- Had no idea
- WOW! This is very interesting! What are they?!
- Is this really possible? Why wasn't I told this until now?
- Yes - knew this all along.

4. Do you believe that school & education are ...

- Exactly the same (no clear difference/s)
- Can be identical, depending on the teacher/professor/type of facility
- Very much different (few, if any similarities)
- Uncertain / don't know

5. Do you know of the 15 root issues that are the missing 'puzzle pieces' in most every American's life?

- Yes - I knew / know something's wrong, however, had no idea there were so many (!)
- No - had no idea whatsoever
- Yes - from my own experiences and study, I believe there are a lot of issues - look forward to learning of them
- Really?!?

6. How often do you presently read? Listen to audio content? Watch video content? Attend events?

- Not at all. None of these/the above.
- When I have time (sporadic / occasional)
- Between 1 – 5 hrs./week
- 5+ hrs./week

7. Do you presently include a line item in your family budget for personal/professional development?

- Not at this time / not convinced it will help.
- Yes – have been for quite some time (it's very important to me/us.)
- No – don't yet have the cash flow/funds to do so, but would like to do this.
- Yes – when the economy is doing very well; No – when it is not (one of the 1st items reduced/cut.)

8. What do you believe to be an ideal amount to invest in yourself and/or your family for ongoing education?

- Uncertain – open to discussing numbers.
- \$ 50 – 200 / month
- \$ 250 – 500 / month
- \$ 500 + - \$ 1,500 / month

9. Are you aware of the nine (9) alternatives that are each an option versus a traditional college/university degree?

- Yes - why more people don't know about them is a question I've had cross my mind.
- No – not a clue. Definitely interested in learning about them.
- Maybe - let's talk further to see if I'm right or not about what I've heard.
- No – I didn't think there were any, and I don't think any of them will work - college is the only way.

10. I believe that a fresh approach to education is the 'missing link' between me being more successful and significant in my own life and/or that of my entire family's.

- Possibly – tell me/us more, please; what I've heard so far is very interesting.
- Yes. This makes a lot of sense & I/we are ready to move ahead.
- No – I don't understand the connection.
- Yes. I believe so, depending on the terms I/we will discuss in the future.
